

Research

Sept. 1965

Approved For Release 2004/01/29 : CIA-RDP85B00803R000200010018-3

(DD/S&T sole authority)

STAT

Dr. Wheelon insisted to propose a charter for placing DD/S&T in authority over all research conducted within the Agency and attempt to get the DCI to agree. Messrs. Blake & [redacted] have been asked to indicate he would like to comment on the draft.

& Shuckerow drafted proposals for his consideration. Dr. Chagnon also drafted a version.

Meanwhile DD/P (Chief OpSec) [redacted]

took exception to terms of ref of DD/S&T/ORD in the R + D area - in memo to

DD/S + ExDir - Also involved was

the NRIC R + D problem which had

been raised by 16 survey - which

called for coord. of [redacted] payload

design [redacted] with

NRIC capabilities.

Wheelon wrote a draft directive

25 Oct. 1965 - "DCI 8007 V. Drs. + [redacted]" STAT

mgmt. [redacted] "R&D" - redrafted w/ [redacted] & Chagnon STAT

Chagnon "Coordination" "During [redacted]" STAT

"Coordinating" "During [redacted]" STAT

Approved For Release 2004/01/29 : CIA-RDP85B00803R000200010018-3

+ 23 Feb 66 version - by [redacted]

Rev. B1

Abolished

Approved For Release 2004/01/29 : CIA-RDP85B00803R000200010018-3

Approved For Release 2004/01/29 : CIA-RDP85B00803R000200010018-3

out of some study to provide R&E
policy - (DD/S&T) worked up a
"Proj Off's Handbook" - as an aid
in initiation, management & direction
of R&D projects, which would
cover all kinds of projects not (Z).
